#### **Dev Group – A Vision for the Future**

Led by: Akash Singh (Founder & CEO)

### Akash Singh - The Visionary Behind Dev Group

"We don't just fill documents – we register dreams."

Akash Singh is a dynamic entrepreneur and visionary leader who founded **LegalDev** and went on to build **Dev Group**, a multi-sector innovation powerhouse that is transforming how legal, financial, hospitality, and infrastructure services work in India.

More than just a Legal-Tech founder, Akash is a **change-maker** who believes in making complex services accessible, affordable, and impactful — from rural India to urban metros.

## **Dev Group: Businesses that Power India**

Venture	Industry	Focus
LegalDev	LegalTech	GST, Company Registration, Trademark, Legal Docs
BillDev	Accounting Tech	Smart billing, e-invoicing, CA tools
VisionDev	Software & AI	Business automation, SaaS platforms
DevHotels	Hospitality	Smart budget-to-boutique hotel chains
InfraDev	Infrastructure	Smart construction, interior & civil project management
DeepFinance	e FinTech	Personal & SME finance, investment planning

### **Our Mission:**

"To harness cutting-edge technologies and strategic leadership to build a better, smarter future."

At Dev Group, the mission isn't just to build companies — it's to **solve real problems** by combining **innovation with execution**, and creating tools that **empower entrepreneurs**, **professionals**, **and small businesses** to thrive in the digital age.
